You can use as much or as little time necessary to contemplate. However, I would recommend to set aside at least an hour, to first read through the material in its entirety, and then go back to explore in detail any thoughts or feelings that bubble up. Use the journal provided to record your findings.

| "To overcome does not mean to go without things. Self-denial is not successThe Infinite is not a bankrupt" "not a bankrupt" in the sense of unable to satisfy any just claims made upon you. If you want to be of service, you must have power. In order to get this power, you must bestow that same power unto others, thereby, being in service. Are you currently in service? How so? If not serving others, what could you do to be so? |

The question is asked, in part, "How may this purpose be accomplishedhow may we develop faith, the courage, the feeling, which will result in accomplishment?"
